2. What is Covered

- Repair or replacement of parts with manufacturing defects during the warranty period.
- Free labour and parts for covered repairs at VoltEdge Service Centres.
- **Free home service** for the VoltEdge ViewMax 43 4K Smart TV during its 24-month comprehensive period.
- A **replacement unit** if the same fault occurs three times for the same issue, or if a product cannot be repaired within 30 days. The replacement carries the balance of the original warranty, or 90 days, whichever is longer.
- **Battery warranty** applies where the battery has failed or its capacity is below 70% (below 60% for the PowerCore 20K) within the battery warranty period and has had fewer than 500 charge cycles.

3. What is Not Covered

- Physical damage: cracked screens, dents, bent frames, broken ports or buttons.
- Liquid damage, except where the product has an IP or water-resistance rating and was used within its rated limits. The IP rating of the Nova X5 (IP68), the Chrono S2 (5 ATM) and the PulseBuds Pro (IPX4) is not covered after seals have been opened or after repair by an unauthorised party.
- Damage from power surges, incorrect chargers, or non-VoltEdge accessories.
- Unauthorised repair, opening, modification, rooting or tampering, including removal of warranty seals.

- Normal wear and tear, cosmetic scratches, fading, and consumables such as ear tips, straps, and cables (beyond their stated period).
- Software issues caused by third-party apps, viruses, or unofficial firmware.
- Products with removed or altered serial numbers or IMEI, or without a valid invoice.
- Loss, theft, or damage caused by fire, flood, earthquake or other natural events.
- Commercial or rental use. The warranty is reduced to 6 months for products used for business purposes, except the AeroBook 14, which keeps its normal period.

4. How to Make a Warranty Claim

Step	Action
1	Keep the original invoice. Note the product serial number or IMEI (found on the box, the product label, or in Settings > About).
2	Register the claim in the VoltEdge app, on the website, or by calling 1800-000-8765. Describe the issue and upload photos if possible.
3	Choose a delivery option: drop off at a VoltEdge Service Centre, or free pickup and drop (available for smartphones, tablets, laptops and TVs).
4	Diagnosis takes 1 to 2 business days. VoltEdge informs the customer whether the issue is covered.
5	Covered repairs are normally completed within **7 business days** (up to 15 business days if parts must be imported). Smartphones and tablets are typically repaired in 3 to 5 business days.

5. Extended Warranty: VoltEdge Care+

Customers can buy VoltEdge Care+ within **30 days of purchase**. It extends the warranty and adds one accidental damage claim per year.

Category	Plan	Price (Rs.)	Coverage
Smartphones (Nova X5, Nova Lite 5G)	Care+ 1 Year	2,499 (Nova X5), 1,299 (Nova Lite 5G)	+12 months warranty and 1 screen damage claim (deductible 10% of repair cost)

Tablets (PadPro 11)	Care+ 1 Year	1,999	+12 months warranty and 1 screen damage claim
Television (ViewMax 43)	Care+ 1 Year	2,999	+12 months comprehensive; panel damage is not covered
Audio, wearables, accessories, smart home	Care+ Basic	10% of product price	+6 months warranty; no accidental damage cover

6. Additional Terms

- **Repaired or replaced parts** carry the remaining warranty of the product or 90 days, whichever is longer.
- **Transfer:** the warranty is transferable to a new owner with the original invoice. VoltEdge Care+ is not transferable.
- **Data:** VoltEdge is not responsible for data loss. Customers should back up data before service.
- **Out-of-warranty service:** paid repairs are quoted in advance. Repairs are guaranteed for 90 days.
- **Service Centres:** available in 120+ cities including Delhi, Mumbai, Bengaluru, Chennai, Hyderabad, Kolkata and Pune.

- **Governing law:** this policy is governed by Indian law and is subject to the Consumer Protection Act, 2019. Statutory rights are not affected.
